THE VENICE PROJECT

 **game solution**

In Zusammenarbeit
mit ZENSE und LAB360

Experience a virtual game learning journey

**Facilitated online game workshops for
one or multiple groups of 5-10 people
within 1.5 to 3 hours - based on your
learning targets
and/or
key messages**

**Alignment of overall goals
Collaboration within a team
Communication in international teams
High performance teams
Leading over distance
VUCA-world working**

**An effective and engaging way to ...
on-board new employees
reconnect disconnected teams
bring across key messages
break the ice for a workshop
start a team event**
