

PLAY ECONOMICS

Experience, train and deepen successful business management in a playful way.

Contact us over info@gamesolution.ch or +41 43 366 62 20

Facilitated virtual game workshop for two to eight teams of 2 - 4 people within a day, aligned with your learning objectives and/or key messages.

An interactive training to ...
apply and expand business know-how,
to practice entrepreneurial thinking and acting,
understand the effects of operational and financial decisions in different departments and on the company as a whole

An effective and motivating method to...
develop professional competence,
and interdisciplinary thinking in a targeted manner.
